# sage Business Cloud

*Sage Business Cloud is the comprehensive business management solution that caters for businesses of all sizes—from startup to enterprise, offering a one-stop solution for all your organisation's needs.*

## Accounting and Payroll Solutions

Forming part of this innovative suite of cloud products, Accounting and Payroll provide you with easy-to-use, online accounting and payroll tools designed to support your small business, and make running it a breeze.

### Why choose Accounting and Payroll Solutions?

#### **Simple**

Online accounting and payroll could not be simpler. Written in easy to understand, everyday language—anyone can use them.

#### **Secure**

Because your data is online, it's always secure. No backups required. Plus, our password encryption is world class.

#### **Flexible**

Hosted entirely online, access your software and data from anywhere, at any time. All you need is an internet connection.

#### **Compliant**

Stay up to date with the latest legislation and ensure SARS compliance.

#### **Support**

Need a helping hand? No problem. Simply contact our support team, via phone or email, and they'll help you—for FREE.

#### **Collaborate**

Work with your accountant online, on the same data at the same time.

#### **Get paid faster**

Offer your clients more ways to pay with Pay Now. Your Accounting invoice allows you to offer Credit Card, Instant EFT, Bank EFT, Cash, and MasterPass™ payments via the Sage Pay payment gateway.

## Why choose Sage Business Cloud Accounting?

- ✓ Invoicing has never been this easy. Create professional quotes and invoices in a flash.
- ✓ Nothing is more important than knowing your business is on track. With customisable dashboards, gain instant insight into how your business is performing.
- ✓ Do you spend hours capturing bank statements? Bank feeds allow you to link your bank account to Sage Business Cloud Accounting for bank transactions that are updated every day.
- ✓ Set up budgets and compare them to real-world business performance.
- ✓ Easily manage customers and suppliers and get paid faster with the Customer Zone self-service tool.
- ✓ Sage Pay statements are downloaded automatically, with payments reconciled daily into your Sage Business Cloud account.

## Why choose Sage Business Cloud Payroll?

- ✓ Take care of payroll legislation and stay SARS compliant. Generate tax certificates in one simple step.
- ✓ Get a clear picture of your company's monthly leave transactions in a calendar view.
- ✓ With no software to install, access your payroll from any mobile or desktop browser using an intuitive, modern user interface.
- ✓ Expand your payroll solution as your business grows, adding as many employees or pay cycles as you like.
- ✓ Seamlessly integrate your general ledger with Sage Business Cloud Accounting .
- ✓ Multi-user functionality allows additional users to access your system for free.
- ✓ Sage Pay ensures all salary payments reflect on the same day in a beneficiary's account, irrespective of where the bank account is held.
